Kampfbundes

Received letter number 12 and Arbeitermacht number 13.

We are complying material on the Trotskyite conference which we will send just as soon as it is ready.

Comradely,

Hugo Oehler

PS The ILO is now known as the Bureau of the Fourth International. The groups they have in France, Belgium, etc call themselves Sections of the Fourth International. They have organized a paper Fourth International. It has no material foundation, and above all no Marxian theoretical foundation.

To distinguish ourselves from the Trotskyites we call for--

"For a new Communist Fourth International.
