Liebe Genossen:

Der Unterzeichner ist derzeit als Vertreter der Revolutionary Workers League der USA in Barcelona und hat die Aufgabe, Informationen über die Situation in Spanien zu sammeln, insbesondere im Hinblick auf das Problem der revolutionären Avantgardepartei, und Kontakte zu Genossen herzustellen, die verschiedene Minderheitengruppen vertreten, von denen sich viele derzeit in Spanien aufhalten, als Korrespondenten für die Presse der R.W.L. und im Allgemeinen für alle Eventualitäten, die sich bieten mögen.

Ich teile Euch dies mit, da zwischen Euren Gruppen und der Revolutionary Workers League eine vollständige grundsätzliche Übereinstimmung besteht. Es sind engere internationale Beziehungen erforderlich, als sie bisher bestanden haben. Soweit möglich, werde ich versuchen, Informationen zu Themen von besonderem Interesse bereitzustellen, nicht nur für die amerikanische Organisation, sondern auch für Eure Gruppen. Andererseits würde ich es sehr begrüßen, wenn Ihr mir Kopien aller von Euren Organisationen herausgegebenen Materialien an die folgende Adresse senden würdet:

Fernando Soto,
postlagernd,
Perpignan, Frankreich.

Zwischen Barcelona und Perpignan besteht ein regelmäßiger Kurierdienst, der es uns ermöglicht, frei zu korrespondieren, ohne Unterbrechungen oder Verzögerungen aufgrund von Zensur.

Ich füge jetzt Informationsmaterial über die archio-marxistische Bewegung in Griechenland usw. bei, das von den Genossen Vitte und Pliskos sichergestellt wurde, die der Führung der griechischen Archio-Marxisten und der albanischen Kommunistischen Partei angehören. Aus bereits geführten Vorgesprächen mit diesen Genossen geht hervor, dass zwischen uns eine erhebliche politische Einigkeit besteht. Zumindest bei einigen Fragen wird eine Zusammenarbeit möglich sein. Es wird empfohlen, Genosse Vitte auf Eure reguläre Adressenliste zu setzen und ihm sämtliches Material zuzusenden. Die ständige Adresse ist:

Herr Lew, 12 Rue Galeron, Paris XX

Brüderliche Grüße, für die Vierte Internationale
